About Us

MALT is an institution that trains and prepares competent and skilled seafarers for the oil and gas, offshore, merchant navy and port operations in the maritime sectors.

We impart knowledge and skills of sea-going personnel/workforce within the different divisions of the marine sectors,
Malt PTY (Ltd) was established to create a turnkey solution to bridge the lack of skill set in the oil and gas, offshore sector and port operations around the South African coastline/ waters.

Our Vision

“Perfect world-class workforce for South African waters”.

Mission

At MALT we want to create an environment that aligns clearly with our Vision of a *"Perfect world-class workforce for South African waters"*.
